

Curriculum Vitae
PHILIPPA JANET CLARKE

Institute for Social Research
University of Michigan
426 Thompson Street, Room 3352 ISR
Ann Arbor, Michigan, 48104-1248

Tel: (734) 647-9611
Fax: (734) 936-0548
pjclarke@umich.edu

CURRENT POSITION

Research Professor
Survey Research Center, Institute for Social Research
and Professor
Department of Epidemiology, School of Public Health
University of Michigan

AREAS OF INTEREST

Social epidemiology, social gerontology, life course perspectives, models of disability, population health

EDUCATION AND TRAINING

- 2002-2005 *Post-Doctoral Fellowship in Aging and Social Epidemiology*, Center for the Study of Aging and Human Development, Duke University. (Mentor: Linda K. George, PhD)
- 1996-2000 *Doctor of Philosophy - Social Science and Health*. Department of Public Health Sciences, Graduate Department of Community Health, University of Toronto. (Advisor: Victor W. Marshall, PhD)
Dissertation Title: *Well-Being Following Stroke in Later Life: The Interplay of Self and Society*.
- 1993-1996 *Master of Science – Epidemiology*, Department of Preventive Medicine and Biostatistics, Graduate Department of Community Health, University of Toronto. (Advisor: J. Ivan Williams).
Thesis Title: *Handicap in Stroke Survivors*.
- 1984-1987 *Bachelor of Arts – History*, McGill University, Montreal, Quebec
-

PROFESSIONAL POSITIONS HELD

- 2017 – Present Professor, Department of Epidemiology, School of Public Health, University of Michigan
- 2016 – Present Research Professor, Survey Research Center, Institute for Social Research, and Department of Epidemiology, School of Public Health, University of Michigan
- 2016 – Present Member, Editorial Board, *Journal of Aging and Health*
- 2016 - Present Member, University of Michigan’s BioSocial Methods Collaborative
- 2016 – Present Collaborator and Mentor, Center for Large Data Research and Data Sharing in Rehabilitation
- 2016 – Present Advisory Council Member, Advanced Rehabilitation Research Training Program, University of Michigan
- 2014 - 2018 Associate Editor, *Journal of Gerontology: Social Sciences*
- 2014 - 2017 Elected Member-at-Large, Executive Committee of the Behavioral and Social Sciences Section, *Gerontological Society of America*.
- 2014 – Present Faculty Affiliate, University of Michigan Medical School’s Global REACH Program

-
- 2012 – Present Research Associate Professor (Joint Appointment), Department of Epidemiology, School of Public Health, University of Michigan
- 2011 – Present Research Associate Professor, Survey Research Center, Institute for Social Research, University of Michigan
- 2011 – Present Member, *Disability Trends Network* (Supported by the National Institute on Aging, TRENDS is a network of researchers working to accelerate scientific understanding of old-age disability and health trends)
- 2009 - Present Member, Editorial Board, *Journal of Gerontology: Social Sciences*
- 2009 – Present Research Affiliate, Population Studies Center, University of Michigan
- 2009 – Present Research Faculty, Center for Social Epidemiology and Population Health, University of Michigan
- 2008 – 2011 Member, *Michigan Cardiovascular Alliance* (a multidisciplinary alliance of individuals and organizations statewide that meet to address issues relevant to the prevention, control and reduction of cardiovascular disease in Michigan)
- 2006 – Present Research Faculty, University of Michigan Center on the Demography of Aging
- 2005 – 2011 Research Assistant Professor, Survey Research Center, Institute for Social Research, University of Michigan
- 2002 – 2005 Post-doctoral Fellow, Center for the Study of Aging and Human Development, Duke University Medical Center
- 2000 - 2002 Research Associate, Institute for Human Development, Life Course and Aging, University of Toronto
- 1995 - 2000 Research Assistant (to Victor W. Marshall, PhD), Institute for Human Development, Life Course and Aging, University of Toronto
- Summer 1997 Research Assistant, Canadian Breast Cancer Screening Initiative of Health Canada.
- 1991-1994 Research Assistant, Stroke Research Unit, Sunnybrook Health Science Centre, Toronto
- 1990-1991 Research Assistant, Department of Nuclear Medicine, Victoria Hospital, London, Ontario
- 1988-1990 Research Assistant, Ontario Cancer Treatment and Research Foundation. Project funded by the Atomic Energy Control Board of Canada: "Childhood Leukaemia around Canadian Nuclear Facilities".

HONORS AND AWARDS

- 2010 Elected Fellow, *Gerontological Society of America*.
- 2002-2004 *Social Sciences and Humanities Research Council of Canada*
Post-doctoral Fellowship, With Professor Linda K. George at Duke University
- 1997 Passed PhD Comprehensive Examinations, "With Distinction"
Graduate Department of Community Health, *University of Toronto*, 1997
- 1996-1998 *Heart & Stroke Foundation of Canada*, Doctoral Research Award
- 1996-1997 Professor Merrijoy Kelner Scholarship, *University of Toronto* (Awarded to a student in the Graduate Department of Community Health who shows excellence and great promise for a career in applying social sciences to the health field.)

- 1995-1999 *University of Toronto Open Doctoral Fellowship*
- 1995-1996 Connaught R.J. Wilson Fellowship, *University of Toronto* (Awarded to a first-year student in the Department of Community Health whose career interests lie in the intersection of public health, epidemiology and health promotion.)
- 1994-1995 *National Health Research and Development Program of Health Canada M.Sc. Fellowship*

FUNDED RESEARCH

Collaborator. "*Protocol Development Project, for the Canadian Longitudinal Study on Aging*". Funded by the Canadian Institutes of Health Research. (10/2002 – 03/2004)

Co-Principal Investigator, with Angela Colantonio, University of Toronto. "*Wheelchair Use Among Community-Dwelling Canadian Seniors*" Funded by the Opportunities Fund of the MTHAC Research Unit, a Community Alliance for Health Research, funded by the Canadian Institutes of Health Research. Total direct costs \$6,000. (01/2003 – 12/2004)

Co-Investigator, with Patricia O'Campo and Blair Wheaton (Co-PIs). "*Data Sparseness in Contextual Population Health Research: Effects of Small Group Size and Targeted Cluster Analysis Strategies on Multilevel Model Performance, Bias and Efficiency*". Funded by the Canadian Institutes of Health Research Strategic Initiative: Population and Public Health Research Methods and Tools. Total direct costs \$24,481. (03/2006 – 03/2007)

Principal Investigator. "*Schools, Neighborhoods, Peers and Adolescent Cigarette Smoking*". Funded by the Robert Wood Johnson Foundation Health & Society Scholars Program, Small Grant Program. Total direct costs \$32,108. (08/01/2006 – 07/31/2007)

Co-Investigator (since 9/05) with Lloyd Johnston (PI), Patrick O'Malley, Jerald Bachman, John Schulenberg, (Co-PIs). *Youth, Education, & Society (YES) Project*. Funded by the Robert Wood Johnson Foundation. Total direct costs \$7,676,077. (11/01/97-10/31/13)

Co-Investigator with Paula Lantz (PI). *Understanding Social Disparities in Health and Aging*. National Institutes of Health/NIA. R01 AG018418. Total direct costs \$317,357. (8/1/05-7/31/09)

Principal Investigator. *Urban Built Environments and Trajectories of Disability among Community Dwelling Older Adults*. Career Development Award funded by the Centers for Disease Control and Prevention. K01 EH000286-01. Total direct costs \$364,761. (09/30/2007 – 09/29/2010)

Co-Investigator with Jacqui Smith (PI). *Harmonization of Longitudinal Cross-National Surveys of Aging*. National Institutes of Health/NIA. R21 AG032456 Total direct costs \$417,986. (7/1/09-6/30/11)

Co-Investigator with James S. House (PI). *Understanding Social Disparities in Health and Aging*. National Institutes of Health/NIA. R01 AG018418-08A2 Total direct costs \$3,018,385. (03/01/11-02/28/16)

Co-Investigator with Heather McKay, Lawrence Frank, Stirling Bryan (Co-PIs). *Walk the Talk: Transforming the Built Environment to Enhance Mobility in Seniors*. Canadian Institutes of Health Research, Institute of Aging; Emerging Team Grant: Alliances in Mobility in Aging. Total direct costs \$1,500,000. (10/1/10-09/30/16)

Co-Investigator with Margaret Levenstein (PI). *A Census-Enhanced Health and Retirement Study: A Proposal to Create and Analyze an HRS Dataset Enhanced with Characteristics of Employers*. Alfred P. Sloan Foundation. Total direct costs \$4,398,616. (7/1/2011-7/1/2016)

Co-Investigator with Heather McKay (PI). *Enhancing the Mobility and Health of Older Adults*. Canadian Institutes of Health Research, Institute of Aging; Meetings, Planning and Dissemination Grant. November, 2011. Total direct costs \$25,000.

-
- Consultant (John Bound, PI). *Aging with a Disability: Demographic, Social, and Policy Considerations*. National Institutes of Health/NIA, Michigan Center on the Demography of Aging - Aging with Disabilities Supplement to P30 AG012846. Total direct costs \$75,000. (9/1/2011-6/30/12)
- Co-Investigator (Kenzie Latham, PI). *Socioeconomic Disparities of Participation and Time Use among Disabled Older Americans*. National Institutes of Health/NIA, Michigan Center on the Demography of Aging - Pilot Grant Competition. Total direct costs \$10,000. (07/01/2012 – 06/30/2013)
- Principal Investigator. *Understanding the Role of the Built Environment for Mobility using Mobile Technology*. University of Michigan MCubed Competition. Total direct costs \$40,000. (07/01/2012-06/30/2014)
- Principal Investigator. *Does the Neighborhood Environment Modify Genetic Risk for Cognitive Decline?* National Institutes of Health/NIA R03. Total direct costs \$50,000. (09/30/2012 – 08/31/2013)
- Principal Investigator. *Understanding the Role of the Built Environment for Mobility in Older Adults*. National Institutes of Health/NIA R03. Total direct costs \$100,000. (07/01/2013 – 06/30/2016).
- Co-Investigator (Jennifer Ailshire, PI). *Adding Contextual Data to the Health and Retirement Study*. National Institutes of Health/NIA (R21). Total direct costs \$275,000. (09/01/2013 – 08/31/2016).
- Co-Investigator (Tiffany Veinot, PI). A “Big Data” Approach to Understanding Neighborhood Effects in Chronic Illness Disparities. University of Michigan MCubed Diamond Program. Total direct costs \$40,000. (05/01/2015-04/31/2016)
- Co-Investigator (Natalie Colabianchi, PI). *Improving Environmental Measures in Obesity Research using Innovative Technology*. NIH/National Cancer Institute (R21). Total direct costs \$275,000. (07/01/2015 – 06/30/2017).
- Principal Investigator. *The Social and Economic Dynamics of Optimism and Hopelessness over American Adulthood: Evidence from the Americans’ Changing Lives Study (1986-2011)*. Templeton Foundation. Total direct costs \$230,119. (05/01/2015 – 04/30/2017).
- Co-Investigator (Felix Kabo, PI). *Boomers, Entrepreneurship and Retirement 2030*, Kauffman Foundation. Total direct costs \$456,609. (10/01/2015-09/30/2017).
- Co-Investigator (Natalie Colabianchi, PI). *The Built and Social Environment in Stroke Onset and Recovery*. National Institutes of Neurological Diseases and Stroke (R01). Total direct costs \$1,502,000.00. (02/01/2016 -1/31/2020).
- Principal Investigator. *Muscle weakness among older adults: A silent epidemic*. National Institutes of Health/NIA, Michigan Center on the Demography of Aging - Pilot Grant Competition. Total direct costs \$12,475. (07/01/2016 – 06/30/2017)
- Consultant (Andrea Rosso, PI). *Cognitive Decline, Brain Aging, Physical Environment, and Mobility*. National Institute on Aging (R21). Total direct costs \$216,130. (09/30/2016 – 04/30/2018).
- Principal Investigator. A “Virtual SafetyNet” to Make Public Transportation Dementia-friendly for Older Americans. NIH/National Institute on Aging. Small Business Alzheimer’s Disease Research (R41). Total direct costs \$250,000. (12/01/2016 – 11/30/2016). (Pending)
- Co-Principal Investigator (with Margaret Hicken). *The Biological Footprint of Structural Racism: Clarifying the Role of Stress, Resilience, and Biology in Racial Inequalities in Aging*. NIH/National Institute on Aging (R01). Total direct costs \$2,500,000. (07/01/2017-06/30/2022). (Pending)
- Principal Investigator. *Cognitive Resilience and Community Context: Examining the role of Neighborhood Built and Social Environments for Slowing the Progression of Dementia among older Americans*. NIH/National Institute on Aging (R01). Total direct costs \$1,960,608 (09/01/2017-08/31/2021). (Pending)

INVITED TALKS

"The Built Environment and Disability Progression". *Healthy Aging and Disability Research Center: State of the Science Webinar*. Seattle, WA. October 18, 2017.

"Neighborhoods and Health over the Life Course: Cumulative or Lagged Exposures?" *A Life Course Approach to Neighbourhood Effects Seminar*. University College London, UK. 28-29th June, 2017

"Optimizing Independence in Later Life: New Methods for Modeling the Urban Built Environment". *Michigan Program in Survey Methodology Sponsors Program Executive Briefing*. Ann Arbor, MI. October 14, 2016

"Population Disability in an Environmental Context". *Minnesota Population Center*. Minneapolis, MN. December 1, 2014.

"Creating Sustainable Change for Healthy Aging". 2014 Leon and Josephine Winkelman Memorial Lecture, *University of Michigan School of Social Work*. Ann Arbor, MI. February 15, 2014. (Invited Panel Member)

"Specifying the Role of the Environment in the Disablement Process". Presented at the *NHATS Early Results Workshop and 2013 TRENDS Network Meeting*. Ann Arbor, MI. May 18, 2013.

"Life course health and social economic profiles of Americans aging with disability". *Aging with a Disability: Demographic, Social, and Policy Considerations*, a Conference Sponsored by the Administration on Aging and the National Institute on Disability and Rehabilitation Research. Washington, DC. May 17-18, 2012.

"Good Places to Grow Old: Does your Neighbourhood Influence your Health?" Presented at the *Canadian Institutes of Health Research Café Scientifique*. Toronto, Canada. June 8, 2011.

"Mobility and Physical Activity in the Urban Built Environment: Population-based Insights and Methodological Advances". Presented at the 39th *Annual Scientific Meeting of the Canadian Association on Gerontology*. Montreal, Canada, December 3, 2010. (Invited Symposium – Chair).

“Optimizing Independence in Later Life: The Role of the Urban Built Environment”. Presented at the *Toronto Rehabilitation Institute 6th Annual Research Day*. Toronto, Canada, November 26, 2010. (Invited Keynote Speaker)

SELECTED PRESENTATIONS

(*Denotes Student/Trainee presentations)

“Optimistic Positivity and Pessimistic Negativity Among American Adults: Effects of Birth-Cohort, Age, Gender, and Race” William Magee, Philippa Clarke, Marilyn Sinkewicz, & Michael R. Elliott. Presented at the Annual Meeting of the *American Sociological Association*, Montreal, Canada. August 12, 2017

“Social mobility and changes in blood pressure: longitudinal analysis from the Brazilian Longitudinal Study of Adult Health (ELSA-Brasil)”. Guimarães J, Clarke P, Chor D. Presented at the 50th Annual Meeting of the *Society for Epidemiologic Research*. Seattle, WA. June 20, 2017.

“Regional Differences in Stroke Mortality and Incidence in the United States: Sodium Intake, Socioeconomic Status and Race.” Suzanne E Judd, Philippa Clarke; Cecilia Samieri; George Howard; Sindhu Lakkur; Virginia Howard; Dan Lackland; Elsayed Soliman; Natalie Colabianchi. Presented at the 26th *Annual European Stroke Conference*, Berlin, Germany, May 24-26, 2017.

*“Understanding the Detroit Disparity in Tuberculosis: Interactions of Race and Nativity.” Noppert GA, Clarke P. Presented at the 2017 Annual Meeting of the *Population Association of America*. Chicago, IL. April 2017,

“Function and Self-Rated Health: The Role of Optimism.” Nancy A. Gallagher, Philippa J. Clarke, Michael R Elliott, Marilyn Sinkewicz, & William Magee. Presented at the Annual Scientific Meeting of the *Gerontological Society of America*. New Orleans, LA. November 16-20, 2017.

“Optimism and All-Cause Mortality in a Nationally Representative Prospective Cohort of US Adults.” Marilyn Sinkewicz, Philippa J. Clarke, William Magee, Michael R Elliott. Presented at the Annual Scientific Meeting of the *Gerontological Society of America*. New Orleans, LA. November 16-20, 2017.

*“Drivers of *Mycobacterium tuberculosis* Transmission in the U.S. Context: The Effects of the Neighborhood on U.S.-born populations”. Noppert GA, Yang Z, Clarke P, Wilson ML. Presented at the 2016 Annual Meeting of the *Society for Epidemiologic Research*. June, 2016, Miami, Florida.

*“Geographic Variations in Services for Long-Term Care Needs: Evidence from the State of Michigan between 1999-2013.” Kim, MH, Clarke PJ. Presented at the 2016 Annual Meeting of the *Population Association of America*. March 30, 2016. Washington, DC.

*“The Influence of Walkability on Broader Mobility for Canadian Older Adults: an examination of Walk Score and the Mobility Over Varied Environments Index (MOVE-I)”. Hirsch JA, Winters M, Clarke PJ, Ste-Marie N, McKay HA. Presented at the Active Living Research Conference. February 2016, Florida.

*“Racial Differences in the Prevalence of Falls among Stroke Survivors”. Wing, JJ, Skolarus, LE, Clarke, PJ, Feng, C, Burke, JF. Presented at the International Stroke Conference, February 2016, Los Angeles, CA.

*“Weakness in Older Americans: Sex/Race-specific Cutpoints and Prevalence Estimates from the Health and Retirement Study”. K Duchowny, M Peterson, PJ Clarke. Presented at the 68th Annual Meeting of the Gerontological Society of America. November, 2015, Orlando, FL.

“The Social and Economic Dynamics of Optimism and Hopelessness over American Adulthood.” Clarke P, Magee W, Gallagher NA, Hauschildt K, Smith J, Burgard S. Presented at the 68th Annual Meeting of the Gerontological Society of America. November, 2015, Orlando, FL.

*“Cohort Differences in Cognitive Functioning: How Much Do Demographics, Education, and Health Explain?” Leggett AN, Clarke P, Zivin K, McCammon RJ, Elliot MR, Langa KM. Presented at the 68th Annual Meeting of the Gerontological Society of America. November, 2015, Orlando, FL.

* “Sick in the City: Patterns and Predictors of TB Disease in Detroit” GA Noppert, PJ Clarke, Z Yang, ML Wilson. Presented at the Conference: Reimagining Health in Cities: New Directions in Urban Health Research, Drexel University School of Public Health, October 2015, Philadelphia, PA.

* “Why We Should Still Worry About Tuberculosis in the U.S.: Evidence of health disparities in TB incidence in Michigan, 2004-2012”. GA Noppert, ML Wilson, PJ Clarke, W Ye, P Davidson Z Yang. Presented at the 2015 Annual Meeting of the Society for Epidemiologic Research. June 2015. Seattle, WA.

“Aging with Disability among Midlife and Older Adults”. LM Verbrugge, KE Latham, PJ Clarke. Presented at the 2015 Annual Meeting of the *Population Association of America*. May 1, 2015. San Diego, CA

“The Impact of Weather on Mobility and Independence in Older Americans”. P. Clarke, T. Yang, F. Keusch. Presented at the 67th Annual Scientific Meeting of the *Gerontological Society of America*. November 7, 2014. Washington, D.C.

*“Profiles of Clients in Medicaid 1915(C) Home and Community-Based Waivers: Urban and Rural differences”. M.H. Kim, P. Clarke. Presented at the 67th Annual Scientific Meeting of the *Gerontological Society of America*. November 6, 2014. Washington, D.C.

“A Life Course View on Depression: Trajectories and Typologies Over 25 years of American's Changing Lives”. O. Rostant; P. Clarke; R.J. McCammon; M. Sinkewicz; K. Zivin. Presented at the 67th Annual Scientific Meeting of the *Gerontological Society of America*. November 9, 2014. Washington, D.C.

“Does the Neighborhood Environment Modify Genetic Risk for Cognitive Decline?” P. Clarke, J. Weuve, L.L. Barnes, D.A. Evans, C. Mendes de Leon. Presented at the 67th Annual Scientific Meeting of the *Gerontological Society of America*. November 5, 2014. Washington, D.C.

*“Understanding the Role of the Built Environment for Mobility Disability using Wearable Technology in the Community Setting”. K Duchowny, P Clarke, N Gallagher, R Adams, A Kuo, A Rosso, N Alexander. Presented at the 67th Annual Scientific Meeting of the *Gerontological Society of America*. November 7, 2014. Washington, D.C.

“Life Course Mastery and Mobility-related Assistive Technology Use: Findings from the Americans’ Changing Lives Survey”. K. Latham; P. Clarke. Presented at the 67th Annual Scientific Meeting of the *Gerontological Society of America*. November 9, 2014. Washington, D.C.

“Real World Outdoor Walking Performance in Older Adults”. N.A. Gallagher, P. Clarke, R. Adams, N.B. Alexander. Presented at the 67th Annual Scientific Meeting of the *Gerontological Society of America*. November 5, 2014. Washington, D.C.

“Neighborhood Disorder, Perceived Social Cohesion, and Participation in Valued Activities: Findings from the National Health & Aging Trends Study (NHATS)”. K. Latham; P. Clarke. Presented at the 67th Annual Scientific Meeting of the *Gerontological Society of America*. November 6, 2014. Washington, D.C.

“Aging in the Context of Neighborhood Change”. J.A. Ailshire, P. Clarke. Presented at the 67th Annual Scientific Meeting of the *Gerontological Society of America*. November 9, 2014. Washington, D.C.

“The impact of Weather on Mobility and Independence in Older Adults”. P. Clarke. Presented at the 43rd Annual Scientific Meeting of the *Canadian Association on Gerontology*. October 18, 2014, Niagara Falls, Canada.

“Neighborhood Hazards and Social Participation in Later Life”. P. Clarke Presented at the 66th Annual Scientific Meeting of the *Gerontological Society of America*. November 22, 2013. New Orleans, LA.

“Socioeconomic Status and Depression: Untangling the Causation-Selection Issue”. M. Sinkewicz, O. Rostant, P. Clarke. Presented at the 66th Annual Scientific Meeting of the *Gerontological Society of America*. November 22, 2013. New Orleans, LA.

“Neighborhood Psychosocial Stressors, Air Pollution, and Cognitive Function among Older U.S. Adults”. A. Karraker, J. Ailshire, P. Clarke. Presented at the 66th Annual Scientific Meeting of the *Gerontological Society of America*. November 22, 2013. New Orleans, LA.

“Optimizing Mobility in Later Life: The Role of the Urban Built Environment for Older Adults Aging in Place”. P. Clarke. Presented at the 41st Annual Scientific Meeting of the *Canadian Association on Gerontology*. October 18-20, 2012, Vancouver, BC.

“Concept Mapping: Engaging Stakeholders to Unravel the Role of the Built and Social Environments on Older Adults' Mobility”. H. Hanson, C. Schiller, J. Sims-Gould, P. Clarke, M. Ashe, et al. Presented at the 41st Annual Scientific Meeting of the *Canadian Association on Gerontology*. October 18-20, 2012, Vancouver, BC.

*“The Role of Neighborhood Safety in Recovery from Mobility Limitations among Older Americans”. K. Latham and P. Clarke. Presented at the Annual Meeting of the *American Sociological Association*. August 2012, San Francisco, CA.

“Accessible Built Environments and Long Term Trajectories of Mobility for Older Americans Aging in Place”. P. Clarke. *International Conference on Aging Mobility and Quality of Life*. June 24-27, 2012. Ann Arbor.

“Hazards in the Built Environment and Long Term Trajectories of Mobility Disability for Older Adults Aging in Place”. P. Clarke. Presented at the 64th Annual Scientific Meeting of the *Gerontological Society of America*. November 18-20, 2011. Boston, MA.

“Urban Decay and Trajectories of Mobility Disability among Community-dwelling Older Americans” P. Clarke. Presented at *Open Space People Space Conference*. Edinburgh, June 27-29, 2011.

“Aging in a Cultural Context: Cross National Differences in Disability and the Moderating Role of Personal Control among Older Adults in the US and England”. P. Clarke and J. Smith. Presented at the *Michigan Retirement Research Center Workshop*. Ann Arbor, April 15, 2011.

“Cognitive Function in the Community Setting: The Neighborhood as ‘Cognitive Reserve’”. P. Clarke. Presented at: *The Science of Age Supportive Built Environments*. Edinburgh, Scotland, March 11, 2010.

“Social Participation among Older Adults with Disabilities: The Role of the Urban Environment”. P. Clarke. Presented at: *The Science of Age Supportive Built Environments*. London, England, March, 10, 2010.

“Cognitive Decline in the Community Setting: The Impact of Neighborhood Social and Physical Disorder”. P. Clarke. Presented at the 62nd Annual Scientific Meeting of the *Gerontological Society of America*. November 18-22, 2009. Atlanta, GA

“Social Participation among Adults with Disabilities: The Role of the Urban Environment”. P. Clarke, E. Nieuwenhuijsen, J. Ailshire. Presented at the 137th Annual Meeting of the *American Public Health Association*. November 7-11, 2009. Philadelphia, PA.

“What Is The Reciprocal Relationship Between Mental and Physical Health Over The Adult Life Course?” P. Clarke. Presented at the 61st Annual Scientific Meeting of the *Gerontological Society of America*. November 21-25, 2008. National Harbor, MD.

“Factors Associated with Mobility Device Use in Later Life: Cross National Comparisons between Canada and the United States”. P. J. Clarke, A. Colantonio. Presented at the 2008 *American Congress of Rehabilitation Medicine*. October 15-19, 2008. Toronto, Canada.

“Understanding the Experience of Stroke: A Mixed Methods Research Agenda”. PJ Clarke. Presented at the 103rd *Annual Meeting of the American Sociological Association*. August 1, 2008. Boston, MA.

“Health has Different Effects on Well-being in England and the United States”. PJ Clarke, D Weir, J Smith. Presented at the 29th *International Congress of Psychology*. July 20-25, 2008. Berlin, Germany.

“Disability and the Urban Built Environment”. PJ Clarke, J Ailshire, M Bader, JD Morenoff, JS House. Presented at the 41st *Annual Meeting of the Society for Epidemiologic Research*. June 24-27, 2008. Chicago, IL.

“Built Environments and Trajectories of Mobility Disability among Community-Dwelling Older Adults”. PJ Clarke and P Lantz. Presented at the 60th *Annual Scientific Meeting of the Gerontological Society of America*. November 16-20, 2007. San Francisco, CA.

“Psychological Well-Being: Health and Social Context in Later Life”. PJ Clarke. Presented as part of a symposium on “Psychosocial Correlates of Healthy Aging: Innovations to the Health and Retirement Study (HRS)”, at the 60th *Annual Scientific Meeting of the Gerontological Society of America*. November 16-20, 2007. San Francisco, CA

“Social structure and health in later life”. PJ Clarke. Presented as part of a symposium on “Contemporary Theoretical Issues in Social Gerontology”, at the 28th *Annual Meeting of the Southern Gerontological Society*. April 11-14, 2007. Greensboro, NC.

“Mental health trajectories over the adult life course: Critical periods of risk by social position”. PJ Clarke, J House, P Lantz. Presented at the 59th *Annual Scientific Meeting of the Gerontological Society of America*. November 16-20, 2006. Dallas, TX.

“Addressing data sparseness in contextual population health research: effects of small group size and targeted cluster analysis on multilevel performance, bias and efficiency”. PJ Clarke, P O’Campo, B Wheaton. Presented at the 23rd *International Methodology Symposium*. November 1-3, 2006. Gatineau, Quebec, Canada.

“Unanticipated work in retirement: Consequences for well-being in older adults”. PJ Clarke, VW Marshall, J House, D Weir. Presented at the 101st *Annual Meeting of the American Sociological Association*. August 11-14, 2006. Montreal, Canada.

“Social disparities in BMI trajectories across the life course: A convergence in risk” PJ Clarke, PM O’Malley, LD Johnston, JE Schulenberg. Presented at the 2nd *North American Congress of Epidemiology*. June 21-24, 2006. Seattle, WA.

“Psychosocial measures as outcomes in the Health and Retirement Survey: Variations across employment status”. PJ Clarke. Invited paper presented at the *HRS Psychosocial Workshop*, November 18, 2005, Orlando, FL.

“Wheelchair Use in Canadian Seniors.” PJ Clarke and A Colantonio. Presented at the 32nd *Annual Scientific and Educational Meeting of the Canadian Association on Gerontology*, Toronto, October 30-November 1, 2003. (poster) **Received first prize for best poster in the post-doctoral fellow category, sponsored by the Canadian Institutes of Health Research, Institute on Aging.**

“Characteristics of elderly community dwelling wheelchair users: Results from the Canadian Study of Health and Aging.” A Colantonio, P Clarke. Presented at the 17th *World Congress of the International Association of Gerontology*. Vancouver, Canada, July 1-6, 2001.

“Well-being following stroke in a national sample of Canadian seniors.” PJ Clarke. Presented at the 2001 *Congress of Epidemiology*. Toronto, June 13-16, 2001.

TEACHING

- 2016-present Steering Committee Member, University of Michigan's **Graduate Certificate Program on Healthy Cities**
- 2007-present **University of Michigan**
 Instructor, EPID617: Social Epidemiology II, Social and Economic Determinants of Population Health (Winter 2013-2015, 2017)
 Invited Lecturer, BIOSTAT699: Analysis of Biostatistical Investigations (Winter 2012, 2014)
 Invited Lecturer, EPID514: Social Epidemiology I (Fall 2008)
 Health and Retirement Study Workshop. Summer Institute in Survey Research Techniques (Summer 2007).
- 2001-2002 **University of Toronto**
 Teaching Assistant, Graduate Department of Sociology: Data Analysis (topics covered: structural equation modelling, hierarchical linear modelling, event history analysis).

MENTORING/DOCTORAL STUDENT ADVISING

- 2007 – 2010 Doctoral Dissertation Committee (Cognate Member), Nancy Ambrose Gallagher (School of Nursing), University of Michigan. Dissertation Title: *"The Influence of Neighborhood Environment, Mobility Limitations, and Psychosocial Variables on Neighborhood Walking in Older Adults"*.
- 2009 – 2014 Doctoral Dissertation Committee (Cognate Member), Susan Brower (Sociology), University of Michigan. Dissertation Title: *"Daily Family Life and Couples' Relationship Quality"*.
- 2011 Doctoral Dissertation Committee, Katherine King (Sociology and Public Policy), University of Michigan. Dissertation Title: *"Biological, Psychosocial, and Social Capital Implications of the Neighborhood Built Environment"*.
- 2011 – 2013 Primary Mentor, Kenzie Latham, PhD. NIA Postdoctoral Fellow. Population Studies Center, University of Michigan.
- 2011-2015 Doctoral Dissertation Committee (Cognate Member), Sokhna Khady Ndao-Brumblay (Sociology and Health Services Organization and Policy), University of Michigan. Dissertation Title: *"Health Changes after Diabetes Diagnosed in Middle and Old Age: Physical, Mental and Cognitive Health Trajectories and Social Stratification"*.
- 2012 – 2014 Doctoral Dissertation Committee (Co-Chair with Ana Diez Roux), Jana Hirsch (Epidemiology), University of Michigan. Dissertation Title: *"The Built Environment and Walkability in Older Adults"*.
- 2012 - Mentor, Min Hee Kim PhD (Joint Program in Sociology and Social Work). Graduate Trainee. Population Studies Center, University of Michigan
- 2013 – 2014 Doctoral Dissertation Committee (Cognate Member), Paulina Kaiser (Epidemiology), University of Michigan. Dissertation Title: *"Neighborhood Environments and Changes in Blood Pressure"*.
- 2014 - 2016 Doctoral Dissertation Committee, Grace Noppert (Epidemiology), University of Michigan. Dissertation Title: *"The Social Determinants of Tuberculosis"*.

-
- 2014 - 2016 Doctoral Dissertation Committee (Co-Chair with Ana Diez Roux), Nicole Novak (Epidemiology), University of Michigan. Dissertation Title: *"Looking upstream: Biological markers of stress in Latinos"*.
- 2014 - 2016 Research Supervisor, NIH Loan Repayment Program, Dr. Allison Brenner, University of Michigan
- 2014 - Doctoral Dissertation Committee, Heidi Guyer (Epidemiology), University of Michigan. Dissertation Title: *"Assessing the Roles of Sleep and Dietary Patterns in Type II Adult Diabetic Women: An international comparison of modifiable risk factors in prevalent, incident and undiagnosed diabetic women."*
- 2014 - Doctoral Dissertation Committee (Chair), Kate Duchowny (Epidemiology), University of Michigan. Dissertation Title: *"Racial Disparities in Sarcopenic Obesity in American Adults."*
- 2015-2016 MPH Capstone Advisor, Sarah Gillette (Epidemiology), University of Michigan.
- 2016- Doctoral Dissertation Committee (Co-Chair with Michele Cote), Megan Mullins (Epidemiology), University of Michigan. Dissertation Title: *"Racial Disparities in Ovarian Cancer"*.
- 2016- Doctoral Dissertation Committee (Co-Chair with Natalie Colabianchi), Erica Twardzik (Kinesiology and Epidemiology), University of Michigan. Dissertation Title: *"TBD"*.
- 2016 - Doctoral Dissertation Committee, Min Hee Kim (Joint Program in Sociology and Social Work). University of Michigan. Dissertation Title: *Causes and Health Consequences of Geographic Disparities in Formal Organizations for Home and Community Based Long Term Care*
- 2016-2017 MPH Capstone Advisor, Christopher Bush (Epidemiology), University of Michigan.
- 2016-2017 MPH Capstone Advisor, Audrey Urquhart (Epidemiology), University of Michigan.
- 2016-2017 MPH Capstone Advisor, Ying Shen (Epidemiology), University of Michigan.
- 2016-2017 MPH Capstone Advisor, Jodi McCloskey (Epidemiology), University of Michigan.
- 2017–2019 Primary Mentor, Yeon Jin Choi, PhD. NIA Postdoctoral Fellow. Population Studies Center, University of Michigan.

PROFESSIONAL SERVICE

- 2015 Grant Reviewer, NIH Study Section, Social Sciences and Population Study Section B (SSPB).
- 2013 - 2015 Grant Reviewer, National Institute on Disability, Independent Living, and Rehabilitation Research, Community Living and Participation Grants
- 2012 Abstract reviewer for NIH Summit on the Science of Eliminating Health Disparities
- 2012 Grant Reviewer, Swedish Council for Working Life & Social Research, Program Grants
- 2012 Invited Peer Reviewer for a new UK Data Service, Economic and Social Research Council.
- 2011 Grant Reviewer, Canadian Institutes of Health Research Institute of Aging. Pilot Projects – Social Dimensions of Aging (Committee Member).
- June 2011 Invited Participant, Fostering Knowledge Development and Exchange on Age-Supportive Communities, Hosted by the Public Health Agency of Canada. Toronto.
- 2011-2013 Elected Member, Senior Staff Advisory Committee (Executive Committee), Survey Research Center, Institute for Social Research, University of Michigan.

- 2010 Grant Reviewer for the Canadian Institutes of Health Research, Biological and Clinical Aspects of Aging Peer Review Committee.
- 2010 – present Abstract reviewer for: Annual Meeting of the American Public Health Association
- 2010 Invited participant in the Canadian Institutes of Health Research Institute of Aging, Canada-UK Study Tour: "The Science of Age-Supportive Built Environments" (a select group of 10 leading Canadian scientists and policy experts in a study tour intended to enhance bilateral exchange of research and knowledge translation expertise in the design of age-friendly cities). London, England and Edinburgh, Scotland.
- 2003 – present Abstract Reviewer for the Annual Meeting of the Gerontological Society of America
