Education and Training

09/1994 – 05/1998 B.S., Biology and Psychology, Canisius College
08/2002 – 05/2005 M.A., Clinical Psychology, American University
08/2005 – 12/2012 Ph.D., Clinical Psychology, American University (*APA Accredited*)
09/2011 – 08/2012 Clinical Internship, Mary A. Rackham Institute (*APA Accredited*)
09/2012 – 08/2014 Clinical Psychology Postdoctoral Fellowship, Department of Psychiatry,
University of Michigan-Department of Veterans Affairs Consortium (*APA Accredited*)
09/2012 – 08/2014 Behavioral Sleep Medicine Fellowship, Department of Psychiatry,
University of Michigan (*Society of Behavioral Sleep Medicine Accredited*)
09/2014 – 04/2016 Postdoctoral Research Fellow in the Population, Neurodevelopment and
Genetics Program, Survey Research Center, Institute for Social Research,
University of Michigan
04/2016 – Present Research Investigator in the Population, Neurodevelopment and Genetics
Program, Survey Research Center, Institute for Social Research,
University of Michigan

Professional Appointments

09/2014 – Present University of Michigan, Population, Neurodevelopment and Genetics
Program, Survey Research Center, Institute for Social Research, Ann
Arbor, MI; *Research Investigator*. Supervisor: Daniel Keating, Ph.D. As a
study Co-Investigator, I coordinate a longitudinal NIH sponsored project
(R01HD075806), which aims to characterize the behavioral, cognitive,
and neural bases of adolescent risk taking. I work directly with the PI
(Daniel Keating, Ph.D.), Survey Research Center, and the sponsor
(NICHD) to support and provide guidance on the administration,
compliance, financial, personnel and other related aspects of the study in
accordance with Federal and University policies and procedures. I am
directly responsible for overseeing data collection, data analysis, the
interpretation of results, and assisting in the preparation of study findings
and the mentorship of graduate and undergraduate students; in this role I
have mentored and supervised 40+ undergraduate and graduate students.

- 09/2012 – 08/2014 University of Michigan-Department of Veterans Affairs Consortium, Department of Psychiatry Postdoctoral Fellowship (*APA-Accredited*), Ann Arbor, MI, *Postdoctoral Resident*. Supervisors: J. Todd Arnedt, Ph.D. & Roseanne Armitage, Ph.D. Participated in a study evaluating the effects of repeated partial sleep deprivation to augment response to antidepressant treatment in young adults with depression (R01MH077690; PI: Arnedt), specifically the early response to treatment on daily mood and neurocognitive functioning. In addition, served as a Co-Investigator on a clinical trial evaluating a novel circadian and sleep intervention to augment depression treatment in adolescents (PI: Conroy) Served as a Co-Investigator in a pilot study characterizing circadian alignment and response to antidepressant therapy in depression (PI: Swanson).
- 07/2009 – 08/2011 Howard University School of Medicine, Department of Psychiatry, Washington, D.C.; *Study Coordinator*. Supervisor: Thomas A. Mellman, M.D. Coordinated NIH sponsored project (R01HL087995), characterizing the association between nocturnal blood pressure and posttraumatic stress disorder in African American adults.
- 01/2003 – 07/2009 Children’s National Medical Center, Division of Psychology, Washington, D.C.; *Study Coordinator*, Supervisor: Daniel S. Lewin, Ph.D., D.ABSM. Coordinated two NIH sponsored projects, characterizing sleep and fatigue in HIV-infected children (R01HL079555) and the psychological sequelae of disturbed sleep in children (K01MH001958).
- 06/2005 – 08/2005 Brown University, Providence, R.I.; *Research fellow*. Supervisor: Mary Carskadon, Ph.D. Participated in a NIAAA funded study (R01AA13252) investigating the effects of alcohol exposure on sleep, circadian rhythms and daily functioning in young adults.
- 09/2001 – 01/2003 Children’s National Medical Center, Division of Oncology, Washington, D.C.; *Clinical Research Assistant II*, Supervisor: Nita Seibel, M.D. Monitored clinical trials sponsored by the Children’s Oncology Group and the Pediatric Brain Tumor Consortium. Provided reference and assistance to physicians in regard to inclusion/exclusion criteria for patients eligible for enrollment into therapeutic and epidemiological studies. Monitored and maintained patients’ research records including study progress, documentation of chemotherapeutic doses and grading/reporting toxicities through reviewing laboratory results, imaging studies and clinic notes. Submitted and maintained all supporting Institutional Review Board documentation for clinical trials.
- 09/1999 – 08/2001 Saint Louis University, Department of Women’s Health, Saint Louis, M.O.; *Research Assistant II*, Supervisor: Robert Kokenyesi, Ph.D. Coordinated a NIH funded research project (R03HD041036) to study the

role cell surface proteoglycans have in the adhesion of ovarian carcinoma cell lines to types I, III collagen and cellular fibronectin. In addition, the invasive behavior of these cell lines was characterized for type I collagen. Responsible for maintaining primary ovarian carcinoma cell lines in culture, DNA sequencing, and data transcription and analysis. Research presented at the 2000 Society for Gynecologic Investigation annual meeting.

09/1998 – 09/1999 SUNY Buffalo School of Medicine, Department of Obstetrics, Buffalo, N.Y.; *Research Assistant I*, Supervisor: Robert Kokenyesi, Ph.D. Assisted in a research project sponsored by the NIH (R03DE012652), which investigated proteoglycan synthesis. Responsible data transcription and analysis.

09/1996 – 08/1998 Canisius College, Department of Biology, Buffalo, N.Y. *Research Assistant I* Supervisor: Robert Grebenok, Ph.D. Assisted in a research project sponsored by the United States Department of Agriculture (NRI award 96-35301-3156). Utilized both analytical chemistry and molecular biology techniques to characterize a plant cDNA through complementation of a yeast mutant. Presented research findings at 1998 ECSC and ASPP meetings. Awarded a grant (\$2400) to examine the effects of sigma ligands on an enzyme involved in plant sterol biosynthesis.

Certification and Licensure

09/2012 – Present Licensed Psychologist, State of Michigan (ID: 6301015379)
10/2014 Interpersonal Psychotherapy (IPT): Clinical Certification in IPT (Level C)

Clinical Experience

10/2015 – 12/2018 University of Michigan, Department of Psychiatry, Ann Arbor, MI; *Clinical Consultant*. Supervisor: Elizabeth Koschmann, Ph.D. Provided consultation in cognitive behavioral therapy and mindfulness-based interventions for the treatment of anxiety and depression in youth to school professionals and community mental health providers participating in the Transforming Research into Action to Improve the Lives of Students (TRAILS) program and the statewide Adaptive School-based Implementation of CBT clinical trial (ASIC; R01MH114203).

09/2012 – 08/2014 University of Michigan-Department of Veterans Affairs Consortium, Department of Psychiatry Postdoctoral Fellowship (*APA-Accredited*), Ann Arbor, MI *Postdoctoral Resident*, Supervisors: J. Todd Arnedt, Ph.D. (Behavioral Sleep Medicine Clinic; Director), Leslie Swanson (Women's and Infants Mental Health Clinic), Todd Favorite, Ph.D. & Kris Konz, MSW (General Depression Clinic)

Conducted diagnostic evaluations, provided weekly evidence-based psychotherapy with adults presenting with anxiety, depression and sleep disorders. Participated in weekly didactic seminars and case presentations. Receive weekly individual (i.e., audiotaped) and group supervision. Completed specialized training in the treatment of depression with Cognitive Behavioral Analysis System of Psychotherapy (CBASP; Favorite) and Interpersonal Psychotherapy (IPT; Konz).

- 09/2011 – 08/2012 University of Michigan, Mary A. Rackham Institute (*APA- Accredited*), Ann Arbor, MI *Predoctoral Intern*, Psychological Clinic Supervisors: Todd Favorite, Ph.D. (Clinic Director) & Jeffery Urist, Ph.D. University Center for the Child and the Family Supervisors: Fiona Miller, Ph.D & Polly Gipson, Ph.D. Assessment Supervisor: Elise Hodges, Ph.D. Conducted diagnostic evaluations, provided weekly psychotherapy and cognitive behavioral therapy with children and adults presenting with anxiety, depression and trauma. Participated in weekly didactic seminars and case presentations. Received weekly individual and group supervision (i.e., videotaped). Administered and scored neuropsychological tests for the evaluation of impairments in behavioral control and cognitive domains of attention and memory and preparation neuropsychological reports. Completed specialized training in the treatment of depression with Cognitive Behavioral Analysis System of Psychotherapy (CBASP) and Interpersonal Psychotherapy (IPT).
- 07/2009 – 09/2010 Children’s National Medical Center, Division of Neuropsychology, Washington, D.C.; Safe Concussion Outcome Recovery & Education (SCORE) Clinic. *Extern*, Supervisor: Gerard Gioia, Ph.D. (Chief, Division of Pediatric Neuropsychology) Administered and scored neuropsychological tests (e.g. ImPACT, CVLT, ACT) to pediatric and young adult patients with mild traumatic brain injury, prepared neuropsychological reports, conducted clinical diagnostic interviews, participated in clinical rounds, community outreach and provided consultation to medical and school personnel to monitor and manage treatment goals. Received weekly individual and group supervision.
- 07/2009 – 09/2010 Children’s National Medical Center, Division of Neuropsychology, Washington, D.C.; Executive Function Clinic. *Extern*, Supervisor: Christopher G. Vaughan, Psy.D. & Laura E. Kenealy, Ph.D. Administered and scored neuropsychological tests (e.g. BRIEF, CMS, CTOPP, CVLT, TEA-Ch, TEC, TOVA, WASI, WIAT-II, WISC-IV, WRAML-2) to children and adolescents with neurological and developmental disorders (e.g., learning disabilities, ADHD, traumatic brain injury) referred for evaluation of impairments in behavioral control and cognitive domains of attention and memory, prepared neuropsychological reports, conducted clinical diagnostic interviews and participated in clinical rounds. Received weekly individual (i.e., live/direct observation) and group supervision.

- 07/2008 – 07/2009 Children’s National Medical Center, Division of Psychology, Washington, D.C.; Child & Adolescent Anxiety Program (CAAP) *Extern*, Supervisor: Candice A. Alfano, Ph.D. Provided outpatient cognitive behavioral therapy with pediatric patients and families with separation anxiety, GAD and obsessive-compulsive disorder in group and individual formats, conducted clinical diagnostic interviews, provided consultation to psychiatrists and educators to facilitate treatment goals, and participated in clinical rounds. Received weekly individual supervision (i.e., live/direct observation).
- 09/2008 – 05/2009 Georgetown University Counseling & Psychiatric Service (CAPS), Washington, D.C.; Extern, Supervisors: Susan Gordon, Ph.D. (Training Director), Becky A. Bailey, Ph.D. & Mathew J. Knauer, Psy.D. Conducted intake interviews, provided low fee weekly psychotherapy and cognitive behavioral therapy with undergraduate and graduate students presenting with anxiety, chronic depression, adjustment and sexuality identity issues, participated with psychology postdoctoral fellows in weekly didactic seminars and case presentations. Received weekly individual supervision (i.e., audiotaped).
- 08/2007 – 08/2008 James J. Gray Psychotherapy Training Clinic, American University Department of Psychology, Washington, D.C.; *Trainee therapist*, Supervisor: James J. Gray, Ph.D. Conducted intake interviews and provided low fee cognitive behavioral therapy in a department based training clinic with adults from the Washington, D.C. community presenting with ADHD, anxiety, depression, self-injury and weight management. Received weekly individual (i.e., audiotaped and live/direct observation) and group supervision.
- 07/2007 – 07/2008 Children’s National Medical Center, Division of Psychology, Washington, D.C.; Pediatric Behavioral Sleep Medicine Clinic. *Extern*, Supervisor: Daniel S. Lewin, Ph.D., D.ABSM. Conducted clinical diagnostic interviews and provided cognitive behavioral therapy with young adult and pediatric patients and families with sleep disorders (e.g., insomnia, delayed sleep phase syndrome, limit setting sleep disorder, sleep onset association disorder, idiopathic hypersomnolence, obstructive sleep apnea, parasomnias and enuresis). Prepared clinical reports, provided consultation and follow-up care for inpatients with a variety of presenting conditions including depression, HIV and traumatic injuries, and participated in clinical rounds. Received weekly individual (i.e., live/direct observation) and group supervision.
- 09/2005 – 05/2007 American University Counseling Center, Washington, D.C.; *Trainee Therapist*, Supervisors: Carol Weissbrod, Ph.D. & Michael Stadter, Ph.D. Conducted intake interviews and provided weekly long-term and brief psychotherapy with undergraduate and graduate students presenting with

anxiety, chronic depression, adjustment issues, complicated grief and sexuality identity issues, and participated in weekly didactic seminars and case presentations. Interventions included psychodynamic and humanistic-experiential orientations. Received weekly individual and group supervision.

Research Interests

- 1) Sleep and Circadian rhythm sleep disorders
- 2) Adolescent and emerging adult health
- 3) Health risk behavior
- 4) Mood Disorders
- 5) Evidence-based practice

Grants

Current Research Support (External)

Eunice Kennedy Shriver National Institute of Child Health & Human Development
R01 HD075806 Keating (PI) 09/2014 – Present
Neurodevelopmental Pathways in Adolescent Health Risk Behavior
Role: Co-Investigator

Completed Research Support (External)

Center for Advanced Transportation Leadership and Safety
ATLAS; DTRT13-G-UTC54 Keating (PI) 07/2015 – 06/2016
Circadian Timing, Drowsy Driving, and Health Risk Behavior in Novice Adolescent Drivers
Role: Co-Investigator

National Institute of Mental Health
R01 MH077690 Arnedt (PI) 09/2012 – 12/2012
Repeated Partial Sleep Deprivation to Augment SSRI Response in Depression
Role: Postdoctoral Fellow

National Heart, Lung, and Blood Institute
R01 HL087995 Mellman (PI) 06/2007 – 12/2012
Nocturnal Blood Pressure and Posttraumatic Stress Disorder in African Americans
Role: Study Coordinator

National Heart, Lung, and Blood Institute
R01 HL079555 Lewin (PI) 09/2004 – 06/2007
Sleep Fatigue & Cognitive Correlates in Pediatric HIV
Role: Study Coordinator

National Institute on Alcohol Abuse and Alcoholism
R01 AA13252 Carskadon (PI) 06/2005– 08/2005
Alcohol, Sleep, and Circadian Rhythms in Young Humans
Role: Graduate student Research Fellow

National Institute of Mental Health
K01 MH001958 Lewin (PI) 01/2003–09/2004
Psychological Sequelae of Disturbed Sleep in Pediatrics
Role: Study Coordinator

Completed Research Support (Internal)

Michigan Institute for Clinical & Health Research
UL1TR000433 Swanson (PI) 08/2015 – 07/2016
Circadian Alignment and Response to Antidepressant Therapy in Depression
Role: Co-Investigator

Berman Research Fund Conroy (PI) 08/2013 – 07/2014
A novel sleep strategy to augment depression treatment in adolescents
Role: Co-Investigator

American Psychological Association
Division 38: Health Psychology Huntley (PI) 01/2007 – 12/2008
Cognitive Behavioral Therapy for the Treatment of Insomnia in HIV Infected African American
Youth: A Randomized Waitlist Control Clinical Trial

American University
Mellon Grant Huntley (PI) 09/2007 – 08/2008
Associations between Caffeine Exposure, Behavior, Sleep and Expectancies among Youth

American University
Mellon Grant Huntley (PI) 09/2006 – 08/2007
Caffeine Expectancy Questionnaire Development

Honors and Awards

1994 – 1998 Canisius College Jacobs Foundation Scholarship
1994 – 1998 Canisius College Academic Incentive Scholarship
1994 – 1998 Canisius College Dean's Lists
1998 Eastern Colleges Science Conference (ECSC) Presentation Award
1998 Canisius College Excellence in Molecular Biology Research Award
1997 Canisius College Earning Excellence Research Grant (\$2400)
2005 William C. Dement Summer Sleep and Chronobiology Research Apprenticeship
2007 Sleep Research Society Abstract Award
2006 Association for Psychological Science, Student Travel Award
2007 American University Doctoral Dissertation Fellowship (\$10,000)
2007 American Psychological Association, Division 38 Student Research Award:
Child/Pediatric Health Psychology

Memberships in Professional Societies

2002 – Present American Psychological Association (APA)
2004 – 2008 Association for Psychological Science (APS)
2004 – 2008 Association for Behavioral and Cognitive Therapies (ABCT)
2004 – Present Sleep Research Society (SRS)
2012 – Present Society for Behavioral Sleep Medicine (SBSM)
2014 – Present Society for Research on Adolescence (SRA)
2016 – Present Society for Research in Child Development (SRCD)

Peer-Review Services

Grant Reviewer

2006 Reviewer, APS RiSE-UP Research Award, APS Student Research Award

Journal Peer Reviewer

2005 Pediatrics
2006 Experimental and Clinical Psychopharmacology
2007 Journal of Child Psychology and Psychiatry
2007 Journal of Pediatric Psychology
2007 Journal of Clinical Sleep
2012 – Present Behavioral Sleep Medicine
2012 – Present Sleep
2013 – 2014 Journal of Consulting and Clinical Psychology
2013 Health Psychology
2013 Sleep Medicine
2014 – 2016 Journal of Caffeine Research
2019 Behavioural Brain Research

Committee, Organizational, and Volunteer Service

Institutional

2005 – 2006 American University; Graduate Student Counsel, Dep. of Psychology Treasurer
2006 – 2009 American University; Graduate Student Counsel, Dep. of Psychology President
2013 – 2014 University of Michigan; Psychology Training Committee
2014 – Present University of Michigan; Undergraduate Research Opportunity Program Mentor
2016 – Present University of Michigan; Director's Advisory Committee on Diversity

National

2006 – 2008 Association for Psychological Science (APS), Campus Representative
2014 – Present Society for Research in Child Development abstract reviewer
2015 – Present Society for Research on Adolescence abstract reviewer
2015 – Present Associated Professional Sleep Societies abstract reviewer

Mentorship and Advising

University of Michigan Developmental Psychology Doctoral Program

2015 – Present Kevin Constante Toala (Co-Advisor with Daniel Keating)

2017 – Present Michael Demidenko (Co-Advisor with Daniel Keating)

University of Michigan Department of Psychology Accelerated Masters Degree Program

2017 – 2018 Kevin Grimaldi (Co-Mentor with Daniel Keating)

University of Michigan Psychology Honors Program

2015 – 2016 Nishma Valikodath (Co-Advisor with Daniel Keating)

2016 – 2017 Kevin Grimaldi (Co-Advisor with Daniel Keating)

2017 – 2018 Alexandra Eastman, Natasha Heart, Mary Elizabeth Zinn

University of Michigan Independent Study

2015 – 2016 Lilian Chang, Kathryn Sienkowski, Alyssa Deronda, Monica Mungarwadi,
Petrina Talbot

2016 – 2017 Danielle Talmoore, Natasha Heart, Hayley Walton

2017 – 2018 Christine Wagner

2018 – 2019 Emma Schillinger

*University of Michigan Undergraduate Research Opportunity Program (UROP; *indicates award for excellence in research award)*

2014 – 2015 Lilian Chang*, Kevin Grimaldi, and Sarah Zaki

2015 – 2016 Natasha Heart, Sydney Ohl, Sarah Limb, Hayley Walton, Mary Elizabeth Zinn

2016 – 2017 Saina Azimi, Jiahui Ji, Harleen Shergill, Brianna Mariotti

2017 – 2018 Ranya Ahmed, Emma Collins, Madeleine Delgado, Anita Michaud, Kelsey Postler, Caroline Scheuing, Ilana Silverstone

2018 – 2019 Alison Choi, Teanne Davis*, Louis Haddad, Catherine Kenney, Zoe Lainis*, Ellie Maly, Hani Nasr

University of Michigan Undergraduate Research Opportunity Program Summer Bridge Program

2015 Nataly Sanroman

Extramural Invited Presentations

Abstracts

1. Ohnmeiss, T. E., **Huntley, E. D.** & Grebenok, R. J. (1998) Isolation and characterization of an *A. thaliana* C-8, 7 sterol isomerase: Functional and structural similarities to mammalian C-8, 7 sterol isomerase/ emopamil binding protein. Poster presented at the meeting of the American Association of Plant Physiologists Annual Meeting, Madison, WI.
2. **Huntley, E. D.**, Ohnmeiss, T. E. & Grebenok, R. J. (1998). Isolation and characterization of an *A. thaliana* C-8, 7 sterol isomerase. Poster presented at the Eastern Colleges Science Conference, Niagara Falls, NY.
3. Kokenyesi, R. & **Huntley, E. D.** (April 2000). Cell surface heparin sulfate proteoglycans mediate adhesion of ovarian carcinoma cells to Type I collagen and fibronectin. Paper presented at the meeting of the Society for Gynecologic Investigation, Chicago, IL.
4. **Huntley, E. D.**, Daniel, L., & Lewin, D. S. (2006). A descriptive study of sleep problems in children and adolescents with human immunodeficiency virus infection. Poster presented at the Association for Psychological Science 2006 annual meeting, New York, NY.
5. **Huntley, E. D.** & Lewin, D. S. (2004). Actigraphic monitoring of children with and without Obstructive Sleep Apnea (OSA) during a Continuous Performance Task (CPT) before and following sleep restriction. *Sleep*, 27, A119.
6. Lewin, D. S., **Huntley, E. D.** & Eisner, M. (2004). Neurobehavioral assessment of the effects of sleep restriction on children with Obstructive Sleep Apnea OSA and a healthy comparison group. *Sleep*, 27, A119.
